Table of contents

List of figures	VI
List of tables	VIII
List of abbreviations	XI
Abstract	XII
I. Introduction	1
I.1 Introduction to the topic	1
I.2 Aim and approach of the work	2
I.3 Structure of the work	4
II. Consumer behaviour, insurances, and decision- making behaviour	5
II.1 Part 1 Consumer behaviour, insurances, and decision- making behaviour	5
II.1.1 Consumer behaviour	5
II.1.2 Risk protection options through insurance and business powers of attorney	6
II.1.3 The essence of insurance	6
II.1.4 Insurance Features	10
II.1.5 Insurance types	11
II.1.6 Safeguards within the scope of the practice	14
II.1.7 The term "decision" and embedding it in the context of decision-making	20
II.1.8 Decision situations in the context of insurance demand	21
II.2 Part 2 Decision theoretical basics – literature review	24
II.2.1 Decision Research	24
II.2.2 Decision-making behaviour in the context of Behavioural Economics (BE) and insurance decisions	26
II.2.3 Behavioural Insurance	27
II.2.3.1 Decision theory - prescriptive and descriptive, analytical, and intuitive	29
II.2.3.2 Dual process theories	30
II.2.3.3 Prescriptive decision theory	33
II.2.4 Decision-making process	33
II.2.5 Decision models	35
II.2.5.1 Expected Utility Theory	40
II.2.5.2 Prospect Theory	43
II.2.6 The information and decision-making process	51
II.2.6.1 Information perception	54
II.2.6.2 Information processing/evaluation	56

II.2.6.3	Decision-making	58
II.2.7	Heuristics and systematic biases in the information and decision-making process.....	61
II.3	Derivation of the set of hypotheses.....	91
III.	Empirical analysis of the influence of heuristics and biases on the decision-	
	making behaviour of doctors	94
III.1	Method and test material.....	94
III.1.1	Subjects and evaluation of demographic data:.....	99
III.2	Descriptive statistics	102
III.3	Inferential statistical evaluation of hypotheses pertaining to actual behaviour	120
III.4	Testing explanatory hypotheses with heuristics and biases	156
IV.	Conclusions and future research	181
	References	189
	Appendix	199
Appendix A:	Questionnaire.....	199
Appendix B:	Results: Additional Main Figures and Table.....	210
H2	ANOVA's- Mean plots.....	210
H5	Crosstabs, Chi ² tests Question 19/Question 20	213
H5	Crosstabs, Chi ² tests Question 19/Question23	221
H8	Barcharts, Crosstabs, Chi ² tests Question3/Question11	229
